Numbers and catering requirements.

For functions such as Funeral Teas we understand it is extremely difficult to predict exact numbers, for this reason we advise a conservative but realistic estimate of guests attending. Should numbers vary on the day the following will apply:

Should numbers fall short of those confirmed at time of booking the confirmed number of guests will be catered for and charged.

Should more than the confirmed number of guests attend additional catering will be supplied and the total number of guests attending will be billed.

The function room is available for 3 hours. Should you require longer, this can be arranged at managements discretion.
